

LEADERSHIP EDUCATION AND EVALUATION POLICY

T.C.
İÇİŞLERİ BAKANLIĞI
Jandarma ve Sahil Güvenlik Akademisi

To choose the candidates with highest potential starting from procurement stage; within the framework of academic, professional and physical development training and notion building training, to educate officers and NCOs whose leadership characteristics are reinforced, and who can meet and manage the needs in the field of security and who could be a role model for the personnel under their command.
